

## Dress Code

Lakewood Ev. Lutheran School requires students to wear a school uniform while in attendance. This includes field trips and off-campus activities, unless otherwise noted by the teacher. All uniform attire must be neat and clean, with no holes or extreme wear. Each piece of clothing must be a solid color (no stripes or patterns or logos on the chest). Shorts, skirts, and jumpers should reach the top of the knee. Belts are suggested if slacks have belt loops. (If it will delay your young child from using the restroom in a timely manner a belt is not required.) **Most of the shoe should be black, navy, brown, gray, or white and be free of embellishments**, keeping in mind the ability to play and run at recess and PE. Open-toe shoes, sandals, or shoes with moving parts (wheels, spinners, etc.) are not permitted. **The shoelaces should match the main shoe color: black, navy, brown, gray, or white. Socks or tights are required. STUDENTS must be able to put own shoes on and keep them fastened. Choose Velcro or slip on for children that have not yet learned to tie. Thank you for the support!**

Students will observe modesty, appropriateness, and neatness in their clothing and personal appearance. No “baggy” or “sagging” pants are allowed. Hats, hoods, or bandanas will not be worn on school grounds unless there is a need due to inclement weather or a special event authorized by the school principal. No distracting hair color or hair cuts or make up will be worn. Temporary tattoos should not be seen.

**Girls:** Hair should be neat, clean, and trimmed, and should not obstruct vision. Hair accessories should be Navy blue, Baby blue, Khaki, Black, Gray, True white, or Land’s End Clear Blue Plaid. Girls should have no more than three earrings in each ear, and no other display of body piercing is permitted. The following are the guidelines for the girls’ uniform:

On **Wednesdays**, students can wear jeans and their school leopard sweatshirt or t-shirt as their uniform; otherwise the school uniform is still required. On this day, hair accessories, socks, and shoes may add to their leopard spirit! See Leopard Checklist for details.

There are occasional Free Dress Days during the school year. On these days, students may choose to not wear their uniform. The clothing they do choose to wear should still reflect the beliefs and values of Lakewood Ev. Lutheran School. In all matters of taste and judgment, the school administrator will have final say, and may choose to issue a discipline for violation of dress code. Fun/Free Dress Days are a great time to wear fun hair accessories and shoes!
