# Music Masterclass

## Get Started on Conducting Music

**Prof. Benjamin Faugstad | Monday, January 25 @ 7:30 PM**

Learn about basic conducting patterns and gestures, along with several tips to help you lead a music ensemble.

Be ready to conduct with me!

## What is a Theme and Motive?

**Prof. Mark DeGarmeaux | Monday, February 8 @ 7:30 PM**

We will look at how some composers “break apart” a motive in various ways, using examples from several simple arrangements.

## Do You Hear What I Hear?

**Prof. Ann Fredrickson | Monday, February 22 @ 7:30 PM**

How to listen to music - using the five main elements of music we will explore how to listen on a deeper and more meaningful level.

## Happy Birthday, CPE Bach!

**Prof. Dennis Marzolf | Monday, March 8 @ 7:30 PM**

How did it happen that the Bach family produced such an astonishing array of musicians? We will talk about the genealogy of the family, and the circumstances in the church and court that brought these generations to positions of musical prominence. *\*You will be given a listening list prior to the class.*
