

Lakewood Lutheran Summer Enrichment 2021

Are you concerned your child will backtrack on progress they have made this school year?

The Lakewood Lutheran Summer Enrichment Program is designed to provide children with an exciting but stimulating atmosphere for their summer days. Summer is a time to relax and recuperate but that does not mean they should forget everything they just learned in school! While students will be given the opportunity to enjoy the outdoors and participate in extracurricular activities, there will be periods of the day for them to grow academically in areas such as Bible History, Math, Science, Social Studies, and Language Arts (which includes reading, writing, grammar, spelling, handwriting, etc). Continue to build on your child's academic foundation this summer at Lakewood Lutheran School!

Do you want your child to enjoy their summer inside and out?

Not only will students in the Summer Enrichment Program have time for free play, but they will also be encouraged to participate in organized sports activities such as basketball, soccer, bowling, kickball, and obstacle course activities. Indoors students will embrace their creativity with a variety of arts and crafts.

Grade Placement for Fall 2021

Bring your own lunch.

Registration Fee	\$35.00
Attendance Fee	\$560.00
TOTAL COST Per Child:	\$595.00

***Do you have an older student?**

Fifth grade students and older may have the opportunity to assist with the other students as teaching aids. We encourage the help and the potential to build leadership skills. For this experience reach out directly to Mrs. Murray.
